

Cables & Connections

Heater Distribution Cables

For connection between power source and splitter cables

Ref: 54000

Splitter Cable

For connection heater distribution cables to heaters

Stock No.	Description
51000	2-way splitter with 2 x 60A female connectors and 1 x 300A male connector
51010	3-way splitter with 3 x 60A female connectors and 1 x 300A male connector- Fig. 3
51020	4-way splitter with 4 x 60A female connectors and 1 x 300A male connector - Fig. 3
51030	5-way splitter with 5 x 60A female connectors and 1 x 300A male connector
51040	6-way splitter with 6 x 60A female connectors and 1 x 300A male connector
51050	Star point splitter
51600	285A transition cable length 1 metre with socket and plug

Fig. 3

Stock No.	Description	Length	Amp
50000	Supply cable with plug and socket	30M	135
50001	Supply cable with plug and socket	30M	180
50002	Supply cable with plug and socket	30M	225
50010	Supply cable with plug and socket	30M	285
50020	Supply cable with plug and socket	30M	355
50030	Supply cable with plug and socket	10M	135
50031	Supply cable with plug and socket	10M	180
50032	Supply cable with plug and socket	10M	225
50040	Supply cable with plug and socket	10M	285
50050	Supply cable with plug and socket	10M	355
50060	Supply cable with plug and socket	3M	45
54000	Triple cable set with compensating cable and 2 heater supply cables	30M	135
54100	Triple cable set with compensating cable and 2 heater supply cables	30M	180
54200	Triple cable set with compensating cable and 2 heater supply cables	10M	135
54300	Triple cable set with compensating cable and 2 heater supply cables	10M	180
For connection between mains voltage control unit and splitter cables			
54400	Quad cable set with camlok connectors & 3 Ph 63A plug (BS4343) (for main voltage control unit)	30M	135

Compensating Cables (For type 'K' Thermocouples)

For thermocouples/ temperature control/ recording.

Fig. 4

Stock No.	Description	Length
53000	Compensating cable with plug and socket	30M Fig.4
53010	Compensating cable with plug and socket	10M
53020	Compensating cable with plug and socket	3M
53030	Compensating cable with plug and socket	1M
53040	Compensating cable on reels	100M / 300M 500M Fig.4
53050	Compensating jumper lead with 2 plugs	1M Fig.4
